Maxinkuckee Fall Regatta

Submitted by Brian Brickler

The LAST available Blue Chip spot is on the line at the Maxinkuckee Fall Regatta. If you haven't qualified yet or just want to come and sail on one of the best venues in the Inland, pack up the boat and get your fall regatta season started at the Maxinkuckee fall regatta. Besides, having a premier venue this regatta also boasts some of the best judges in the ILYA. The race committee always does a great job getting in great races and the lake is wide open which allows for great racing and long legs. The lake is almost a perfect circle so any direction of wind results in a great course. A welcome change from some of the small-shifty lakes a lot of us sail on. Off the water the people of the Maxinkuckee Yacht Club roll out the red carpet with hot breakfast each morning and their world famous chili-cheeseburger party on Saturday night. All of the members make their own special recipe chili for the sailors to enjoy. Some housing is still available. If you head down Friday night, make sure you stop by the welcome party at Papa's. Free Pizza and Beer at the welcome party. There is no excuse to miss this one as the forecast looks great. See you September 7-9th at Maxinkuckee.
